Subject: RE: schedule for gw study

We are confirmed for driller mobilize on 3/24 for safety training and begin drilling on 3/25. I'm expecting a better forecast for all work (3 extraction wells, 6 piezos and then aquifer tests) and will forward when I receive.

What is the current schedule for the groundwater study? Bernie Zavala wants to be out for some of it, and I also need to have my usual oversight.

Kevin
